

CONTRIBUTOR AND COPYRIGHT FORM

MANUSCRIPT TITLE _____

I/we certify that I/We have participated in the content, conception, analysis and interpretation, to take responsibility and agree to have my/our name listed as contributor(s). This manuscript or the one with similar content under my/our authorship has not been published or is being considered for publication elsewhere. I/We will provide the data/information on which the manuscript is based, if required.

I /We here by assign all copy right ownership to the journal "Annals and essences of dentistry", in all the forms (print, online, electronic, CD format or any other format for public distribution) if the work is published by AED JOURNAL. I/We also assign right to republish, right to produce reprints, including in other mechanical or electronic format.

We know that Annals and essences of dentistry is an open access journal and the contents can be freely archived from various internet sites, libraries repositories etc., We know that the Open access system is for non commercial purposes and do not claim any monetary rights for our articles cited elsewhere in the future.

In case of manuscripts with case histories I do by inform the editorial board that no objection has been obtained from the patient during the examination of the patient and I(we) are responsible for legal claims arising out of it.

In case of copyrighted material in my manuscript I have obtained necessary permission from the concerned persons/organisations.

We will indemnify and keep the Editorial committee and the Editor of the Dentaquest Journal against all claims and expenses including legal costs in case of breach of copyright or other laws arising as a result of publication of our content/articles in the Journal.
